KEN LUDWIG'S

"Twas The Night Before Christmas"

Five adult actors are needed to play all the roles
Come along and try a role (or two) on for size!

A fast moving, funny play with lots of audience participation sees Emily and Amos save the 'Naughty-Nice List' - needed by Santa for his toy delivery - from the dastardly Sir Guy of Gisbourne who has locked up all Santa's elves till they give him the list.

With an aeroplane flight; sword fight; mistaken identity and hectic chases across the stage as well as a modified rap version of the poem and a different "take" on 'Deck the Halls with Boughs of Holly.'

Whether you're drawn to playing the determined heroine,

a scene-stealing mouse with rhythm, a bumbling elf with hidden depths

or a swashbuckling villain, there are roles here to get your teeth into!
